Dear DeKalb Taxpayer:

Enclosed is your consolidated 2009 DeKalb County Real Estate Tax Statement detailing your property values and related taxes for this year. As elected representatives of your County Government, we feel it is our obligation to provide the following information concerning your tax statement.

Your total tax bill for 2009 is \$810.72. Of this amount, only 29.38% of the bill or \$238.19 is for County government taxes. The remainder of the bill consists of Board of Education taxes, State taxes, applicable City taxes, and other special assessments and fees including stormwater and sanitation. It is important to note that even if you have homestead exemption on your property, you will likely see an increase in your tax amount this year. This increase is due to the loss of the Homeowner's Tax Relief Grant (HTRG), previously enacted and funded by the Governor and State General Assembly. The state HTRG provided an \$8,000 credit towards the assessed value and was applied to all county, city, school, and state taxes, excluding bonds for an average savings of approximately \$300 per homestead.

The majority of your billed amount consists of school taxes levied by the Board of Education. The Board of Education establishes its own budget for the maintenance and operation of county schools, and imposes the school tax rate to fund that budget. Neither the Chief Executive Officer nor the Board of Commissioners has authority over the Board of Education and its tax rate. By state law, the Board of Commissioners is required to adopt the school tax rate established by the Board of Education. Citizens wishing to express comments or offer input regarding school taxes should contact the nine-member Board of Education at 678-676-1200.

Property taxes are the single most important revenue source for local governments and school systems, and we realize the significant burden imposed on County taxpayers. We hope this information clarifies how the County Board of Commissioners and the Board of Education are separate and distinct entities, and that the tax rates set by these independent bodies affect the amount of property taxes that you pay in DeKalb County.

Sincerely,

W. Burrell Ellis, Jr., CEO
